Turnitin: Creating Rubrics within Turnitin

Rubric scorecards can be used to evaluate student work based on defined criteria and scales. Instructors can also create and share rubric scorecards, allowing other instructors to upload the rubric scorecard to their classes.

You may wish to convert existing marking criteria in to a Turnitin Rubric. Rubrics help students understand their feedback and what areas they need to improve.

Standard Rubrics

A standard rubric allows you to set a criterion weighting in percent and enter marks for different scale items.

Creating a Standard Rubric

1. In GradeMark view; click on the Rubric icon at the bottom of the GradeMark sidebar.

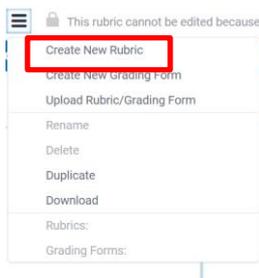

2. Open the Rubric Manager by clicking on the gear icon.

3. Click on the Available Rubrics list icon.

4. Select **Create New Rubric**.

5. Enter a name for the Rubric.

Grading with the Rubric

Criteria	1st	2:1
Argument 25 % How well you structure your argument in the essay	Substantial evidence of independent thought in a well-structured argument. Shows originality.	Generally well-constructed and coherent argument. Conclusions are sound with some independence of thought. Could display a more thoroughly analytical approach.
Understanding 25 % How well you have demonstrated your understanding of the subject	Exceptionally assured and perceptive understanding of issues. Sustained high quality independent insights.	Clear and confident understanding of relevant issues. Some complexity is evident but could be more refined.

Click on the Rubric icon in the GradeMark bar to show your Rubric.

Note: You can make the rubric full screen by

clicking on the  icon.

Hover over a cell to see the description for that criterion and scale.

Assigning a Scale Value to a Criterion

To assign a scale value to a criterion, click on the cell so that it is highlighted blue.

Turnitin will calculate a percentage for you based on your selection.

82.5/100 Apply to Grade

Click **Apply to grade** and Turnitin will synchronise the grade.
